Subject: Covance - Re: Contract Template for Protocol

Roger,
Mary Westrick of Covance returned my call this morning. Per her voice mail, the master services contract template they've already provided us would be the same that they would use for contracting to develop a protocol. The only difference would be the detail described in Exhibit A.

I left a copy of the Covance master services contract template in Rebecca's chair for you this morning.

FYI:
Ms. Westrick's direct phone number is: 608-283-3509
Direct fax is: 608-283-3514
